At each school, the lead site administrator or a certificated employee shall be designated as custodian of records for students enrolled at that school. The custodian of records shall be responsible for implementing the policy and administrative regulation regarding student records. (5 CCR 431)

If student records containing covered information which is not subject to the California Consumer Privacy Act are under the control of the operator of a website, online service or application, or mobile application, and the student's parent/guardian or the student, if 18 years of age or older, requests deletion of such records, the County Superintendent or designee shall provide documentation to the operator that the student has not been enrolled for at least 60 days. (Business and Professions Code 22584)

The County Superintendent or designee shall not compile a list, registry, or database based on students' national origin, ethnicity, or religious belief, practice, or affiliation, nor shall he/she disclose student information to federal government authorities for the purpose of compiling such a list, registry, or database for purposes of immigration enforcement.
