(Health and Safety Code 120372)

A student who has a medical exemption issued prior to January 1, 2020 shall be allowed to continue enrollment until the next grade span, except that after July 1, 2021, a student may not be admitted or advanced to grade 7 unless the student has been immunized or a medical exemption form filed as stated above. (Health and Safety Code 120370)

A temporary exemption shall not exceed one year, and all medical exemptions shall not extend beyond the grade span. (Health and Safety Code 120372)

If a student's medical exemption is revoked by CDPH on the basis that the exemption does not meet applicable criteria for medical exemptions, the student shall continue in attendance and, within 30 calendar days of the revocation, commence the immunization schedule required for conditional admittance pursuant to 17 CCR 6050, as described below. (Health and Safety Code 120372)

(Health and Safety Code 120372, 120372.05)

2. The student's parent/guardian filed with the County Superintendent, before January 1, 2016, a letter or written affidavit stating that an immunization is contrary to his/her personal beliefs, in which case the student shall be exempted from the immunization until the student enrolls in the next applicable grade span requiring immunization (birth to preschool, grades K-6, grades 7-12). (Health and Safety Code 120335)

When a student transfers to a different school also operated by the County Superintendent or transfers into a County Superintendent-operated school from another school district in California, the student's personal beliefs exemption filed before January 1, 2016, shall remain in effect until the next applicable grade span. A student transferring from a school outside those operated by the County Superintendent shall present a copy of the personal beliefs exemption upon enrollment. When a student transfers into a County Superintendent-operated school from outside California and presents a personal beliefs exemption issued by another state or country prior to January 1, 2016, the County Superintendent or designee may consult with legal counsel regarding the applicable immunization requirements.
