INSURANCE**

The County Superintendent and County Board believe that all students should have health and accident insurance protection to ensure that they receive needed health care services in the event of illness or injury.

The County Superintendent or designee shall provide information to students and their parents/guardians about available insurance against injuries occurring during school-related activities, which may include printed matter furnished by the insurer or membership corporation. Parents/guardians shall not be required to enroll their children in insurance programs offered by the County Superintendent.

Athletic Teams

Each student participating on a school athletic team shall have insurance protection in the amounts specified in law and administrative regulation for medical and hospital expenses resulting from accidental bodily injury. (Education Code 32221)

(Education Code 32221)

The cost of the insurance protection shall be paid by the parents/guardians of an athletic team member or other persons on the student's behalf.

However, if the parents/guardians are financially unable to pay the costs, the costs shall be paid by the County Superintendent and/or student body organization. (Education Code 32221)
