RESPONSE TO IMMIGRATION ENFORCEMENTResponding to Requests for Information

Unless authorized by the Family Educational Rights and Privacy Act pursuant to 20 USC 1232g, student information shall not be disclosed to immigration law enforcement authorities without parental consent, a court order, or judicial subpoena. The County Superintendent or designee shall annually notify parents/guardians that the County Superintendent will not release student information to third parties for immigration enforcement purposes, unless the parent/guardian consents or as required to do so by a court order or judicial subpoena.

Upon receiving any verbal or written request for information related to a student's or family's immigration or citizenship status, County Superintendent staff shall:

1. Notify the County Superintendent or designee about the information request.
2. Provide students and families with appropriate notice and a description of the immigration officer's request.
3. Document any request for information by immigration authorities.
4. Provide students and parents/guardians with any documents provided by the immigration enforcement officer, unless such disclosure is prohibited by a subpoena served on the County Superintendent or in cases involving investigations of child abuse, neglect, or dependency.

(Government Code 8310.3.)

Responding to Requests for Access to Students or School Grounds

A student's parent/guardian shall be immediately notified if a law enforcement officer requests or gains access to the student for immigration enforcement purposes, unless the judicial warrant or subpoena restricts disclosure to the parent/guardian.

All visitors and outsiders, including immigration enforcement officers, shall register with the principal or designee upon entering school grounds during school hours. Each visitor or outsider shall provide the principal or designee with his/her name, address, occupation, age if less than 21, purpose in entering school grounds, proof of identity, and any other information required by law. (Penal Code 627.2, 627.3)

County Superintendent staff shall report the presence of any immigration enforcement officers to any on-site security or police and appropriate administrators.

FRESNO COUNTY SUPERINTENDENT OF SCHOOLS

As early as possible, County Superintendent staff shall notify the County Superintendent or designee of any request by an immigration enforcement officer for access to the school or a student or for review of school documents, including service of lawful subpoenas, petitions, complaints, warrants, or other such documents.

In addition, County Superintendent staff shall take the following actions in response to an officer present on the school campus specifically for immigration enforcement purposes:

4. Request that the officer produce any documentation that authorizes his/her school access.
5. Make a copy of all documents produced by the officer and retain one copy for school records.
6. If the officer declares that exigent circumstances exist and demands immediate access to the campus, comply with the officer's orders and immediately contact the County Superintendent or designee.
7. If the officer does not declare that exigent circumstances exist, respond according to the requirements of the officer's documentation, as follows:
 - a. If the officer has an Immigrations and Customs Enforcement (ICE) administrative warrant, County Superintendent staff shall inform the agent that they cannot consent to any request without first consulting with the County Superintendent's legal counsel or other designated County Superintendent official.
 - b. If the officer has a federal judicial warrant, such as a search and seizure warrant or an arrest warrant signed by a federal judge or magistrate, County Superintendent staff shall promptly comply with the warrant. If feasible, County Superintendent staff shall consult with the County Superintendent's legal counsel or designated administrator before providing the officer with access to the person or materials specified in the warrant.
 - c. If the officer has a subpoena for production of documents or other evidence, County Superintendent staff shall inform the County Superintendent's legal counsel or other designated official of the subpoena and await further instructions as to how to proceed.

Responding to the Detention or Deportation of Student's Family Member

The County Superintendent or designee shall encourage students and their families to update their emergency contact information as needed throughout the school year and to provide alternative contacts, including an identified trusted adult guardian, in case a student's parent/guardian is detained or is otherwise unavailable. The County Superintendent or designee shall notify students' families that information provided on the emergency cards will only be used in response to specific emergency situations and not for any other purpose.

The County Superintendent or designee shall also encourage all students and families to learn their emergency phone numbers and be aware of the location of important documentation, including birth certificates, passports, social security cards, physicians' contact information,

In the event that a student's parent/guardian is detained or deported by federal immigration authorities, the County Superintendent or designee shall release the student to the person(s) designated in the student's emergency contact information or to any individual who presents a caregiver's authorization affidavit on behalf of the student. The County Superintendent or designee shall only contact child protective services if County Superintendent personnel are unable to arrange for the timely care of the student by the person(s) designated in the emergency contact information maintained by the school or identified on a caregiver's authorization affidavit.

The County Superintendent or designee shall notify a student whose parent/guardian was detained or deported that the student continues to meet the residency requirements for attendance in a County Superintendent school, provided that the parent/guardian was a resident of California and the student lived in California immediately before he/she moved out of state as a result of the parent/guardian's departure. (Education Code 48204.4.)

The County Superintendent or designee may refer a student or his/her family members to other resources for assistance, including, but not limited to, an ICE detainee locator, legal assistance, or the consulate or embassy of the parent/guardian's country of origin.
