FRESNO COUNTY BOARD OF EDUCATION**Instruction**  
**READING/LANGUAGE ARTS INSTRUCTION**

The County Superintendent and County Board recognize that reading and other language arts constitute the basic foundation for learning in other areas of study. The County Superintendent and County Board desire to offer a comprehensive, balanced reading/language arts program that ensures all students have the skills necessary to read fluently and for meaning and develops students' appreciation for literature. The program shall integrate reading and oral and written language arts activities in order to build effective communication skills.

For each grade level, the County Superintendent and County Board shall adopt academic standards that meet or exceed Common Core State Standards in the following strands:

1. Reading: Foundational skills, text complexity and analysis, and the growth of comprehension
2. Writing: Text types, responding to reading, production and distribution of writings, and research
3. Speaking and listening: Oral language development, comprehension, flexible communication, and collaboration
4. Language: Conventions, effective use, knowledge of language, and vocabulary

The County Superintendent or designee shall ensure that the reading/language arts program offers sufficient access to standards-aligned textbooks and other instructional materials. The program shall provide instructional materials of varying levels of difficulty, including fiction and nonfiction works, so that students are continually reading at an appropriate level. In addition, technology should be available to support all areas of literacy.

Teachers are expected to use a variety of instructional strategies to accommodate the needs of beginning readers and the varying abilities of more advanced readers. The program shall provide ongoing diagnosis of students' skills and, as needed, may provide supplementary instruction during the school day and/or outside the regular school session to assist students who are experiencing difficulty learning to read.

The County Superintendent or designee shall make available professional development opportunities that are designed to provide instructional staff with knowledge about how students develop language skills, the ability to analyze students' literacy levels, and mastery of a variety of instructional strategies and materials.

County Superintendent staff shall regularly provide County Superintendent and County Board with data from reading assessments and program evaluations to enable the County Superintendent and County Board to monitor program effectiveness.
