CONCURRENT ENROLLMENT IN COLLEGE CLASSESCredit

County Superintendent/County Board students enrolled in a community college as special part-time students may enroll in up to 11 units per semester, or the equivalent. The student shall be informed whether the credits to be earned are considered academic credits or elective credits, whether the credits count towards high school graduation requirements, and whether the course would need to be completed again during the college years to satisfy college graduation requirements.

To receive County Superintendent/County Board credit for coursework completed at a community college or four-year college, the student or parent/guardian shall submit a transcript showing completion of the course with a passing grade.
