FRESNO COUNTY BOARD OF EDUCATION****Community Relations
EDUCATIONAL FOUNDATION**

The County Superintendent and County Board recognize the importance of community support of programs, including voluntary financial contributions, to assist them in achieving the goals for student learning.

The County Superintendent and County Board desire to work cooperatively with the educational foundation in determining the purposes for which funds may be used to meet the changing needs of the students of Fresno County. The County Superintendent and County Board recognize that an educational foundation is a separate legal entity, independent of the County Superintendent and County Board. However, the educational foundation is encouraged to provide regular reports to the County Superintendent and County Board on the status of its work and communicate ways that can help support the educational foundation's activities.

With the consent of the County Superintendent or designee, the educational foundation, as appropriate, may use the name and/or logo of the County Superintendent. With the consent of the County Board president, the educational foundation, as appropriate, may use the name and/or logo of the County Board.
