Students
VANDALISM AND GRAFFITI

The County Superintendent and County Board desire to enhance student learning by striving to provide an environment where students and staff can feel safe and secure and can take pride in their school. To that end, the County Superintendent or designee shall develop strategies for preventing graffiti and vandalism on school grounds, including collaborating with community-based organizations, local law enforcement and city and county officials, as appropriate, to help develop a coordinated response to graffiti and vandalism in the community.

Students and staff are encouraged to report any graffiti or vandalism to the lead site administrator or designee for investigation. The lead site administrator or designee shall determine whether the incident necessitates an investigation pursuant to the County Superintendent policies/procedures.

As appropriate, the lead site administrator or designee may contact local law enforcement in instances when the graffiti is repetitive, identifies particular targets or groups, identifies the perpetrator, and/or contains incitements to violence, threats, or intimidation. Photographs or other evidence of the vandalism or graffiti shall be preserved as necessary for investigation by County Superintendent or law enforcement and as evidence in any County Superintendent disciplinary proceedings.

The lead site administrator or designee shall ensure that graffiti on school grounds is removed and covered as soon as possible, and if practicable before the beginning of the school day.

A student who commits an act of vandalism or graffiti on school grounds shall be subject to disciplinary action in accordance with County Superintendent/County Board policy and administrative regulation. If reparation for damages is not made, the County Superintendent also may withhold the student's grades, diploma, and/or transcripts in accordance with law.
