Students
RESPONSE TO IMMIGRATION ENFORCEMENT

The County Board and County Superintendent are committed to the success of all students and believe that every school site should be a safe and welcoming place for all students and their families irrespective of their citizenship or immigration status.

County Superintendent staff shall not solicit or collect information or documents regarding the citizenship or immigration status of students or their family members or provide assistance with immigration enforcement at schools operated by the County Superintendent, except as may be required by state and federal law. (Education Code 234.7.)

No student shall be denied equal rights and opportunities nor be subjected to unlawful discrimination, harassment, intimidation, or bullying in programs and activities on the basis of his/her immigration status. (Education Code 200, 220, 234.1.)

The County Superintendent or designee shall notify parents/guardians regarding their children's right to a free public education regardless of immigration status or religious beliefs and their rights related to immigration enforcement. (Education Code 234.7.)

Consistent with requirements of the California Office of the Attorney General, the County Superintendent or designee shall develop procedures for addressing any requests by a law enforcement officer for access to County Superintendent records, school sites, or students for the purpose of immigration enforcement.

The County Superintendent or designee shall report to the County Board in a timely manner any requests for information or access to a school site by an officer or employee of a law enforcement agency for the purpose of enforcing the immigration laws. Such notification shall be provided in a manner that ensures the confidentiality and privacy of any potentially identifying information. (Education Code 234.7.)
