This policy shall apply to all acts related to a school activity or school attendance and to all acts of the County Superintendent and the County Board in enacting policies and procedures that govern County Superintendent and County Board schools and programs.

The County Superintendent and County Board are committed to providing equal opportunity for all individuals in education. County Superintendent and County Board programs, activities, and practices shall be free from unlawful discrimination, including discrimination against an individual or group based on race, color, ancestry, nationality, national origin, immigration status, ethnic group identification, ethnicity, age, religion, marital status, pregnancy, parental status, reproductive health decision-making, physical or mental disability, medical condition, sex, sexual orientation, gender, gender identity, gender expression, veteran or military status, or genetic information; the perception of one or more of such characteristics; or association with a person or group with one or more of these actual or perceived characteristics.

All individuals shall be treated equitably in the receipt of services in County Superintendent and County Board programs and activities. Personally identifiable information collected in the implementation of any County Superintendent and County Board program, including, but not limited to, student and family information for the free and reduced-price lunch program, transportation, or any other educational program, shall be used only for the purposes of that program, except when the County Superintendent or County Board authorizes its use for another purpose in accordance with law. County Superintendent and County Board programs and activities shall be free of any discriminatory use, selection, or rejection of textbooks, instructional materials, library books, or similar educational resources.

The use of any textbook, instructional material, supplemental instructional material, or other curriculum for classroom instruction, or any book or other resource in a school library shall not be rejected or prohibited by the County Superintendent or County Board on the basis that it includes a study of the role and contributions of any individual or group consistent with the requirements of Education Code 51204.5 and 60040, unless such study would violate Education Code 51501 or 60044. (Education Code 243)

Periodically, County Superintendent and County Board programs and activities shall be reviewed to ensure the removal of any barrier that may unlawfully prevent an individual or group in any of the protected categories stated above from accessing such programs and activities, including the use of facilities. Prompt and reasonable actions shall be taken to remove any identified barrier.

All allegations of unlawful discrimination in County Superintendent and County Board programs and activities shall be investigated and resolved in accordance with law, County Superintendent
