FRESNO COUNTY SUPERINTENDENT OF SCHOOLS  
FRESNO COUNTY BOARD OF EDUCATION

**Philosophy, Goals, Objectives and Comprehensive Plans  
SCHOOL ACCOUNTABILITY REPORT CARD**

The County Superintendent and County Board recognize their responsibility to inform parents/guardians and the community about the conditions, needs, and progress at each county office of education school and to provide data by which parents/guardians can make meaningful comparisons between schools. The process of gathering and analyzing data also provides opportunities for school and staff to review achievements and identify areas for improvement.

The County Superintendent and County Board shall annually issue a school accountability report card ("SARC") for each school site. (Education Code 35256.) The County Board delegates to the County Superintendent the responsibility for developing the format of the SARC and for preparing the annual SARC.

In preparing report cards, the County Superintendent or designee may choose to use or adapt the model template provided by the California Department of Education. If the model template is not used, the County Superintendent or designee shall ensure that data are reported in a manner that is consistent with the definitions for school conditions as provided in the template. At least every three years, the County Superintendent and County Board shall compare the content of report cards to the state's model template, recognizing that variances are allowed by law as necessary to meet local needs. (Education Code 33126.1, 35256.)

The County Superintendent and County Board shall annually approve the SARCs for all county office of education schools and shall evaluate the data contained in the SARCs as part of the County Superintendent's and County Board's regular review of the effectiveness of school programs.

The County Superintendent or designee shall develop strategies for communicating the information contained in the SARCs to all stakeholders, including opportunities for staff and the community to discuss their content.

Notification and Dissemination of SARCs

The County Superintendent or designee shall annually publicize the issuance of the SARCs and notify parents/guardians that a paper copy will be provided upon request. On or before February 1 of each year, the County Superintendent or designee shall make the SARCs available in paper copy and on the Internet. (Education Code 35256.)
