Community Relations
SCHOOL-CONNECTED ORGANIZATIONS

The County Superintendent and County Board recognize that parents/guardians and community members may wish to organize parent organizations and/or booster clubs for the purpose of supporting curricular and extracurricular programs conducted or sponsored by the County Superintendent. The County Superintendent and County Board appreciate the contributions made by such organizations and encourage their interest and participation in supporting activities of the County Superintendent and County Board, and helping to achieve the vision of the County Superintendent and County Board for student learning.

The County Superintendent and County Board recognize that school-connected organizations are separate legal entities, independent of the County Superintendent and County Board. However, in order to help the County Superintendent and County Board stay informed regarding school-connected organizations, persons proposing to establish a school-connected organization shall submit a request to the County Superintendent for authorization to operate at a school operated by the County Superintendent.

A school-connected organization, including a booster club, parent-teacher association or organization, or other organization that does not include an associated student body or other student organization, shall be established and maintained as a separate entity from the school, the County Superintendent, and the County Board. Each school-connected organization shall be subject to its own bylaws and operational procedures or to the rules or bylaws of its affiliated state or national organization, as applicable.

In addition, activities by school-connected organizations shall be conducted in accordance with law, County Superintendent and County Board policies, County Superintendent regulations, and any rules of the sponsoring school.

The County Superintendent or designee shall establish appropriate rules for the relationship between school-connected organizations and the County Superintendent and County Board.

A school-connected organization shall obtain the written approval of the County Superintendent or designee prior to soliciting funds upon the representation that the funds will be used wholly or in part for the benefit of a school operated by the County Superintendent or the students at that school. (Education Code 51521.)

A school-connected organization may consult with the principal to determine school needs and priorities.

Any participation in fundraising activities by students and their parents/guardians and/or any donation of funds or property shall be voluntary. (Education Code 49011.)
