NONDISCRIMINATION/HARASSMENT**

This policy shall apply to all acts constituting unlawful discrimination or harassment related to school activity or to school attendance occurring within a County Superintendent-operated school or program, to acts which occur off campus or outside of school-related or school-sponsored activities but which may have an impact or create a hostile environment at school, and to all acts of the County Superintendent and County Board in enacting policies and procedures that govern County Superintendent and County Board schools and programs.

The County Superintendent and County Board desire to provide a safe school environment that allows all students equal access to and opportunities in the County Superintendent's academic, extracurricular, and other educational support programs, services, and activities. Unlawful discrimination against a student in any County Superintendent-operated school, program, or activity, including discriminatory harassment, intimidation, and bullying, is prohibited. Any form of retaliation against an individual who files or otherwise participates in the filing or investigation of a complaint or report regarding an incident of discrimination is also prohibited.

Unlawful discrimination, including discriminatory harassment, intimidation, or bullying, may result from physical, verbal, nonverbal, or written conduct against a student based on the student's actual or perceived race, color, ancestry, nationality, national origin, immigration status, ethnic group identification, ethnicity, age, religion, marital status, pregnancy, parental status, physical or mental disability, medical condition, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or association with a person or group with one or more of these actual or perceived characteristics. Unlawful discrimination also occurs when the prohibited conduct is so severe, persistent, or pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; has the effect of substantially or unreasonably interfering with a student's academic performance; or otherwise adversely affects a student's educational opportunities.

Unlawful discrimination also includes disparate treatment of students based on one of the characteristics specified above with respect to the provision of opportunities for a student's participation in school programs or activities or the provision or receipt of educational benefits or services.

In accordance with law, all County Superintendent/County Board students shall be afforded the same rights, benefits, and protections. When, as permitted by law, the County Superintendent/County Board maintain sex-segregated facilities, such as restrooms and locker rooms, or offer sex-segregated programs and activities, such as physical education classes, students may choose to access facilities and participate in such programs and activities consistent with their gender identity. In addition, students may choose to participate in accordance with their gender identity in other circumstances where students are separated by gender, such as for class discussions, yearbook pictures, and field trips.

Complaints alleging unlawful discrimination, including discriminatory harassment, intimidation, or bullying or retaliation, may be filed in accordance with County Superintendent/County Board Policy 1312.3 and County Superintendent Administrative Regulation 1312.3 - Uniform Complaint Procedures (UCP). For complaints of sexual harassment, it is the responsibility of the County Superintendent Title IX Coordinator to determine whether the complaint should be addressed through UCP, or if the alleged conduct meets the federal definition of sexual harassment pursuant to 34 CFR 106.30, the complaint procedures established in 34 CFR 106.44-106.45. Regardless of whether a complainant complies with the writing, timeline, and/or other formal filing requirements, all complaints alleging unlawful discrimination, including discriminatory harassment, intimidation, or bullying, shall be investigated and prompt action taken to stop the discrimination, prevent recurrence, and address any continuing effect on students.

Students who engage in unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, in violation of law, County Superintendent and County Board policy, or administrative regulation shall be subject to appropriate consequence or discipline, which may include suspension or expulsion when the behavior is severe or pervasive as defined in Education Code 48900.4. Any employee who permits or engages in prohibited discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, shall be subject to disciplinary action, up to and including dismissal.
