SEXUAL HARASSMENT

The County Superintendent and County Board are committed to maintaining a safe school environment that is free from harassment and discrimination. The County Superintendent and County Board prohibit, at school, program or at school-sponsored or school-related activities, sexual harassment targeted at any student by anyone. The County Superintendent and County Board also prohibit retaliatory behavior or action against any person who reports, files a complaint or testifies about, or otherwise supports a complainant alleging sexual harassment.

The County Superintendent and County Board strongly encourage students who feel that they are being or have been sexually harassed on school or program grounds or at a school-sponsored or school-related activity by another student or an adult, or who have experienced off-campus sexual harassment that has a continuing effect on campus, to immediately contact their teacher, the lead site administrator, the County Superintendent’s Title IX Coordinator, or any other available school or program employee.

Any employee who receives a report or observes an incident of sexual harassment shall notify the Title IX Coordinator so that steps may be taken to investigate and address the allegation in accordance with law and related regulations.

Once notified of a complaint or allegation of sexual harassment, the Title IX Coordinator shall ensure the complaint is addressed through Title IX complaint procedures or uniform complaint procedures, as applicable. Because a complaint or allegation that is dismissed or denied under the Title IX complaint procedure may still be subject to consideration under state law, the Title IX Coordinator shall ensure that any implementation of the Title IX procedure concurrently meets the requirements of the uniform complaint procedures.

Title IX Coordinator shall offer supportive measures to the complainant and respondent, as deemed appropriate under the circumstances.

Upon completion of an investigation of a sexual harassment complaint, any student found to have engaged in sexual harassment or sexual violence in violation of this policy shall be subject to disciplinary action. For students in grades 4-12, disciplinary action may include suspension and/or expulsion pursuant to Education Code 48900.2, provided that, in imposing such discipline, the entire circumstances of the incident(s) shall be taken into account.
